

letter as I am about to
get sick for. - this change
in temperature. I have been
nearly sick ever since I got
your letter and heard you
were sick, How are the little
girls getting along,

If all be true I must close &
write a good deal longer
but I know you would get
tired of waiting it when you
and this you think I am crazy,
in enough tell me if you wish
I am right, I will close
for this time.
Yours &c. most lovingly,
Wife & Son
